Purpose and Aims of the Policy

This document has been prepared in accordance with the provisions of the Health and Safety at Work etc. Act 1974 and the regulations made under it.

Our policy, so far as is reasonably practicable, is to provide and maintain safe and healthy working conditions, equipment, and systems of work for all our employees, casual labour, and voluntary helpers, and to provide such information, training, and supervision as they need for this purpose.

We will also endeavour to ensure, so far as is reasonably practicable, the health, safety, and welfare of all members of the congregation, contractors, visitors, and others who may visit the church and any associated buildings.

The allocation of duties for safety matters and the arrangements that we will make to implement the policy are set out below.

The policy will be kept up to date, particularly in the light of any changes to our buildings or activities. To ensure this, the policy, and the way in which it has operated will be reviewed regularly and the appropriate changes made.

Responsibility for Health & Safety Policy

The overall responsibility for health and safety is that of the Parochial Church Council, who will ensure that arrangements are in place to satisfy health and safety regulations and appropriate Codes of Practice. Specific responsibilities may be delegated to church personnel. As new projects emerge, the names of responsible persons will be notified, and the list amended accordingly.
